## Reviewer Acknowledgements:

GHMJ (Global Health Management Journal), Volume 7, Editions 1, 2, and 3, 2024

[GHMJ \(Global Health Management Journal\)](#) is proud to announce the successful publication of 18 high-quality articles across the [first](#), [second](#), and [third](#) editions of its seventh year. Each published article represents the culmination of a rigorous process, including a double-blind peer review conducted by our Editorial Board and carefully selected reviewers, chosen for their expertise in the field of global health.

We extend our deepest gratitude to the distinguished scholars and professionals who contributed their time, knowledge, and insights to reviewing the manuscripts for these issues. Their dedication and commitment to academic excellence have been essential in maintaining the high standards of our journal.
