PREFACE

On behalf of the Organizing Committee, it is an honor to welcome you all to the 3rd International Conference on Applied Science and Health (ICASH). The conference consists of keynote speech, oral presentation, and poster presentation which focus on public health, nursing, midwifery, and applied science as well as related fields.

The 3rd International Conference on Applied Science and Health selected a theme “Addressing global health challenges: policy, research and practices”. The theme aims to exchange the knowledge and experiences to gain better understanding of the most important health and applied science issues in the South East Asia region. All papers submitted to the 3rd ICASH have been blindly reviewed by various international scientific committee members from different countries to ensuring the quality of the accepted papers.

The 3rd ICASH is a joint conference between Faculty of Graduate Studies Mahidol University with Faculty of Public Health of Universitas Indonesia, Faculty of Public Health of Mahidol University, Universitas Sari Mutiara Indonesia, and Indonesian Public Health Association. We are proud to have Indonesian Students in Mahidol University under the Indonesian Scholars' Alliance and Permitha Simpul Salaya to help us organize this event. I would like to express my deep gratitude to the aforementioned organization and person that made the conference possible. The Keynote Speakers, Prof. Andrew J. Macnab, 2) Assoc. Prof. Dr. Mathuros Tipayamongkholgul and 3) Dr. Adang Bachtiar, MPH, DSC for their willingness to share the valuable knowledge and extensive experiences in the field of health science, of which will be of great benefits for all participants. In addition, I would like to thank all International Scientific Committees for assisting the Organizing Committee to review papers submitted to the conference. This conference will not be possible without the participation of the authors, to whom I would like to express my thankfulness.

Professor Dr. Patcharee Lertrit, M.D.
Chairperson and
Dean Faculty of Graduate Studies
